

As you have traveled your BLESS journey, we recognize the path can be circuitous. We pray that you have been able to witness the work of the Holy Spirit in the lives of the people on your BLESS list as they travel their own journeys toward God.

We pray that you have been blessed in your own deepening relationship with God as well as with your friends and family and that you have been a blessing to others. We encourage you to continue on the BLESS path as we seek to make more disciples who make disciples of all ages.

The logo for 'BLESS Journal' features the word 'BLESS' in a bold, sans-serif font. intentional evangelism initiative

BLESS is a new approach to prayer and evangelism.

It's less about downloading information, and more about loving our neighbors well. These missional practices can help us get “unstuck” and find new ways to share the gospel story. BLESS is an intentional pathway for persons of all ages to become like Jesus and join the mission of Jesus.

This journal is a resource for your BLESS journey with prompts for each practice. These prompts will help you see new opportunities to join the Spirit in blessing the people in your life who do not know God.

Start by identifying three to five people in your life that do not have a relationship with God.

May God bless you on your journey!

EAT
together

Whether you are eating a meal together or just hanging out, the idea behind this practice is to intentionally spend time together, connecting on a deeper level and building relationship with people who do not know God.

NATURAL OPPORTUNITIES FOR CONNECTION

Sharing meals together on a regular basis is one of the most sacred practices we can engage in as believers. Through the simple act of eating together, we practice hospitality, build community, and deepen relationships.

Possible Ideas

- Have dinner together in your home or at a restaurant.
- Share a pizza.
- Enjoy a cup of coffee together.
- Host a holiday party.
- Organize a block party or neighborhood BBQ.
- Include others in your family celebrations.
- Try new restaurants together.
- Add one person to one meal per week.
- Throw a small dinner party.
- Create an affinity group.
- Teach someone how to cook.
- Share a holiday meal.
- Attend their party or event.

WAYS I CAN SERVE

- ☉ Offer to pray. ☉ Keep someone company.
- ☉ Be generous with your gratitude.

You may choose to serve others.
However, sometimes the greatest opportunities come when you allow others to serve you.

WAYS OTHERS CAN SERVE ME

- ☉ Accept their compliments. ☉ Borrow something.
- ☉ Share your needs with your neighbors openly.

Ways we can serve together

- Volunteer to take care of a tangible need (cook a meal, babysit, shovel snow, etc.)
- Volunteer for a shelter, food pantry, fund raiser, etc.
- Help with a community event or nonprofit.

**Be attentive to
opportunities God provides

THE STORY OF GOD'S LOVE

A Gospel Presentation

God is love and created the world for love—this includes you and me.

“Give thanks to the Lord, for he is good. His love endures forever!” — PSALM 136:1

God loves us lavishly and created us to enjoy perfect loving relationship with God, with each other, and with all creation.

This was God’s intention from the very beginning.

In what ways have you experienced the love of God?

The world is broken because of our sin, which separates us from God and leads to suffering and death.

“All have sinned and fall short of the glory of God.” — ROMANS 3:23

“The wages of sin is death.” — ROMANS 6:23

We sin when we do not act with love toward God or others, whether in active rebellion or passive indifference. Sin leads to death and eternal separation from God.

Humanity cannot save itself from the persistent reality of sin and death.

In what ways have you experienced brokenness in the world or in yourself?

God loves the world and sent Jesus to heal our brokenness through his life, death, and resurrection.

“For God so loved the world that he gave his one and only Son, that whoever believes in him shall not perish but have eternal life.” — JOHN 3:16

God sent his son Jesus not only to show us the way, but also to provide the way. After living a sinless life of perfect love, Jesus bore our sins upon himself and sacrificed his life for us on the cross (1 Peter 2:24-25). We cannot be saved through our good works. Through Christ alone we can experience healing, restored relationship with God and others, and full life now and forever.

“God demonstrates his own love toward us in this: While we were still sinners, Christ died for us.” — ROMANS 5:8

“Christ died for our sins....He was buried... he was raised on the third day according to the Scriptures...he appeared to Cephas, and then to the twelve. After that, he appeared to more than five hundred.” — 1 CORINTHIANS 15:3-6

What are some ways in which you understand love and sacrifice to be connected?

God invites us to turn from our sin, receive God’s love, and then share that love with the world!

Therefore, if anyone is in Christ, the new creation has come:

The old has gone, the new is here! —2 CORINTHIANS 5:17

I have come that they may have life, and have it to the full. —JOHN 10:10

God extends a free invitation to each one of us to receive God’s love, enjoy God’s love, and join God’s mission to heal the world.

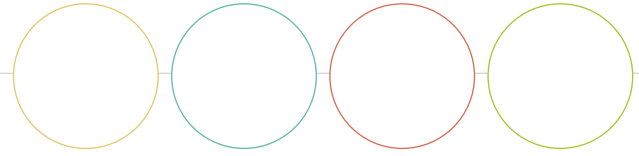

How would you like to respond to God’s invitation?
